## THE STATE OF NEW HAMPSHIRE

---

To the Inhabitants of the Town of Holderness in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Holderness on Tuesday, the Eleventh day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same as estimated in budget.

3. To see if the town will vote to accept State Aid, and to raise and appropriate \$2,494.00 to be expended jointly with \$2,494.00 which is to be expended on North Holderness Road.

4. To raise and appropriate such sums of money as may be necessary for repairing highways and bridges for the ensuing year.

5. To raise and appropriate such sums of money as necessary for maintenance of permanent improved roads.

6. To raise and appropriate money for town construction of improved roads.

7. To see if town will vote to raise and appropriate \$400.00 for the control of White Pine Blister Rust in cooperation with the State Forestry and Recreation Department, thereby receiving the usual State Aid, or take any vote thereto.

8. To see how much money the town will raise and appropriate for improvement of the roads in Shepard Park.
9. To raise and appropriate money for care of cemeteries.
10. To raise and appropriate money for the support of libraries for the ensuing year.
11. To raise and appropriate money for Memorial Day Exercises.
12. To see if the town will vote to instruct the selectmen to hire money in anticipation of taxes.
13. To see if the town will raise and appropriate money for the benefit of Memorial Hospital of Plymouth.
14. To see if the town will raise and appropriate the sum \$166.00 to advertise the Lakes Region.
15. To see if the town will vote to raise and appropriate money to pay outstanding note or notes.
16. To see how much money the town will vote to raise and appropriate to purchase land for a town dump or take any vote thereto.
17. To see if the town will vote to raise and appropriate a sum of money for the Laconia Hospital Association.
18. To see if the town will vote to discontinue the road joining the Jennie Leavitt property.
19. To hear reports of agents, auditors and committees, and to see how much money the town will raise and appropriate for purchase of land and buildings or take any vote relative thereto.
20. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 17th day of February, in the year of our Lord, nineteen hundred and forty-one.

HOWARD PEASE,  
CHARLES A. HASKELL,  
NORMAN P. SMITH,

Selectmen of Holderness.

A true copy of WARRANT—Attest:

HOWARD PEASE,  
CHARLES A. HASKELL,  
NORMAN P. SMITH,

Selectmen of Holderness.

### Auditors' Report

Holderness, N. H., February 17, 1941

We hereby certify we have examined the accounts of the Selectmen, Treasurer, Clerk, Tax Collector, Road Agents, Library Trustees, Fire Department, Fire Wardens, Overseer of Poor and Trustees of Trust Funds, and find them correctly cast and vouched.

ARTHUR W. FORBES,

HAROLD T. SOMMERS,

Auditors.

**of the**

**STATE TAX COMMISSION**

**October 28 to November 6, 1940**

Concord, N. H., December 16, 1940.

Board of Selectmen

Holderness, New Hampshire

Gentlemen:

I submit herewith the report of an audit and examination of the accounts of the Town of Holderness which has been made by this division in accordance with the vote taken at the annual meeting in March, 1940. This audit covers the fiscal year ended January 31, 1940, and the current year to October 30, 1940. Schedules as hereafter listed are included as part of the report.

### FINANCES

**Revised Balance Sheet (Schedule C):** The Balance Sheet in the Town Report of January 31, 1940, indicated Assets of \$34,187.93. This included property owned by the town, acquired through tax deeds or otherwise, in the amount of \$25,800.00. In municipal accounting, asset items which may properly be included in the Balance Sheet are "Cash" or any accounts which may be converted into cash within a reasonably short time. Such items consist of "Accounts Receivable," "Unredeemed Taxes" and "Uncollected Taxes". In making up the revised balance sheet, as of January 31, 1940, the Assets, as shown in the Town Report, were reduced by eliminating the town-owned property item of \$25,800.00. This resulted in a Net Debt of \$4,623.88 rather than a Surplus of \$21,176.13 as indicated by the Town Report. Property owned by the town should be included in the "Schedule of Town Property," not in the Balance Sheet.

**Reduction of Net Debt:** A reduction of Net Debt from \$11,465.06 on January 31, 1939, to \$4,623.88 on January 31, 1940, was made as indicated by Schedule A. This reduction in Net Debt was principally due to a Net Budget Surplus for the year 1939 of \$6,568.91, resulting from a Net Excess of Actual over Estimated Revenues of \$4,376.80, and a Net Excess of Appropriations over Expenditures of \$2,192.11. (Schedule B)

**Temporary Loans and Long Term Notes:** Temporary Loans outstanding on January 31, 1939, in the amount of \$22,500.00, were paid during 1939 and Long Term Notes in the amount of \$13,000.00 issued, indicating a reduction of \$9,500.00 in outstanding notes between January 31, 1939, and January 31, 1940. Maturities of long term notes are shown in Schedule C-1.

**Edwards Property:** A statement of payments made to the town by Harold Fowler in accordance with terms of the contract is presented in Schedule D. The fire insurance coverage on this property, which is also a requirement specified in the contract, is outlined in Schedule D-1.

## **SELECTMEN'S AND TREASURER'S ACCOUNTS**

The Vouchers issued by the Selectmen during the period of audit were examined as were also the supporting invoices and road agents' payrolls. Vouchers were compared with entries in the Receipts and Payments Book and classification of expenditures noted. The checks issued by the three town Treasurers during this period were compared with the Selectmen's orders and found to be in agreement. The Treasurers' receipts, as recorded in the Cash Book, were checked by source insofar as possible.

Reconciliation of the Cash Book and Bank Balances of the two former treasurers, Harry E. Leavittt and William R. Muzzey, as of May 5, 1939, and March 15, 1940, respectively, was made as indicated in Schedules E and F. The present treasurer's cash book balance as of October 30, 1940, amounted to \$5,736.80. This was in agreement with the reconciled bank balance of like date. (Schedule G)

## **TAXES**

The accounts of Tax Collector Mildred Avery for the levy of 1940 were examined and audited and the warrant balanced as indicated by Schedule H.

The accounts of Tax Collector David Curry for the levy of 1939, and tax sales for levies of 1936, 1937 and 1938 were audited and found to be in balance as

indicated by Schedules I and J. A detailed list of the unredeemed taxes for these years is included in Schedule J-1.

### **TOWN CLERK**

The accounts of the Town Clerk for the period February 1 to October 30, 1940, were audited and found to be correct. Schedule K presents a summary of the motor vehicle permit and dog license accounts for this period.

### **ROAD AGENTS**

The payrolls of the Road Agents for 1939 and 1940 were examined. Disbursements made by the Road Agents for labor were accounted for by signatures of the individual employees on the payrolls, while expenditures for materials were vouched by receipts from vendors. Summaries of the accounts of the four road agents, who held office during the period covered by our audit, are included in Schedules L, M, N and O.

### **OVERSEER OF THE POOR, LIBRARY TREASURER TREASURER OF THE FIRE DEPARTMENT**

The records of the Overseer of the Poor, Library Treasurer and Treasurer of the Fire Department were examined and audited. The funds turned over to these officials were properly accounted for either by authorized expenditures or bank balances which were verified. Summaries appear in Schedules P, Q and R, respectively.

### **TRUSTEES OF TRUST FUNDS**

The savings bank book representing the principal and unexpended income of the various trust funds was examined. A list of the separate funds, showing the principal and income balance of each, is included in Schedule S. A surety bond for the trustees should be procured and the premium expense incident thereto paid by the town.

## EDWARDS PROPERTY—LABOR ACCOUNT

At the time of the previous audit of the accounts of the town of Holderness by this division, in February, 1939, it was noted that the procedure followed in making payments to individuals employed on the Edwards Property repair job for services rendered was as follows:

Vouchers and checks covering the total amount of weekly payrolls were issued to Selectman Pease, who was in charge of the work, and he in turn disbursed to the individuals whose names appeared thereon the amounts due them.

No receipts were obtained by Mr. Pease at the time from the various individuals as evidence of payments made to them.

Mr. Pease, at the request of this division, has now obtained the signatures of all employees engaged on this particular job, to a statement acknowledging that they received payment in full for services as set forth in Schedule U. The exceptions are in the case of Harry Leavitt, deceased, and Earl Brown, who Mr. Pease reported he was unable to locate.

It is recommended that the time book containing the detailed information as summarized in Schedule U, and the signatures of the various individuals acknowledging receipt of payments made to them for services performed, be filed with the town records.

## GENERAL COMMENTS

Suggestions and recommendations relative to minor changes in accounting procedure were made to the town officials during the course of the audit and are not enumerated herein.

In accordance with Chapter 211, of the Laws of 1939, this report in its entirety (including Schedules) must be published in the printed annual report of the town for the fiscal year ending January 31, 1941.

Yours very truly,

HAROLD G. FOWLER,

Director Division of Municipal Accounting.

# ***School Report***

## THE STATE OF NEW HAMPSHIRE

---

To the Inhabitants of the School District in the town of Holderness qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 22nd day of March, 1941 at 2:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To transact any other business that may legally come before the meeting.

Given under our hands at said Holderness this 27th day of January, 1941.

LLOYD D. PERKINS,  
MARY F. PEASE,  
JOHN L. GREENLEAF,

School Board.

A true copy of Warrant—Attest:

LLOYD D. PERKINS,  
MARY F. PEASE,  
JOHN L. GREENLEAF,

School Board.

## **OFFICERS AND STAFF**

Bridge	22	Elizabeth Bickford
East	15	Evelyn Young
Carr	9	Nina Taylor
Elm	20	Edith Plant

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

### Tardiness

The table of attendance statistics which precedes this report does not provide interesting reading, and is put in this report chiefly for reference. However, one detail in this report deserves special comment—the large number of tardinesses at two of our schools. It is too bad that our town should have to report nearly four times as many tardinesses per pupil as the State average. Examination of the registers at these schools shows that three families are almost entirely responsible for this unfortunate record.

### Safety Education

The topic of education for safety, including prevention of highway accidents, fire prevention, and the practice of care in avoiding accidents at home and on the playground, has been a subject of special study at our teachers' meetings this year. In this field of teaching, the test of success seems to be a negative one—if the lessons have been mastered, no accidents happen, and if our pupils look back in future years and see that the habits of care and watchfulness now being formed have helped to keep them out of danger, we can then feel that our educational program has been successful.

### Education for Defense

A wave of patriotic fervor is sweeping across our broad land, this spirit has encouraged some to enlist as soldiers, and others to go to school at night to develop their skill at various mechanical trades. The duty of our elementary schools, at this time, is to give boys and girls a better understanding of our democratic institutions, and to instill in their hearts a greater loyalty to our flag and the republic for which it stands. We must realize, young and old, that the greatest service to our country may not demand that we bear arms in her defense, but must require of each of us that

measure of tolerance, of thoughtfulness of others, of self-sacrifice for the common good, and of intrinsic honesty that will make impossible the evils of greed and self-seeking that are the real dangers to our democracy.

### **What Our Schools Are Doing, East Holderness**

The East Holderness School has a Safety and Health Club which endeavors to keep the children informed about safety and health rules and how to practice them. The pupils have made safety and health posters, sung safety and health words to familiar tunes, learned slogans, and kept a notebook.

Much enjoyment was shown in a music appreciation unit called "Stories in Music". The children listen to the music, give their own interpretations of what it might mean and then hear the story which it was written to interpret. In some cases they dramatized the action while the music played.

The school has taken advantage of the Rural Traveling Library which, this year, serves any rural school in New Hampshire. In this way more interest is shown in reading, for books can be had for all ages and reading abilities.

To put into practise the rules of good written English, the pupils of fifth and sixth grades wrote several original stories each. These were put together in booklet form and put on the reading table for all the children to enjoy.

The percentage of attendance to date has been somewhat higher than last year. This, undoubtedly, is helped by the administering of cod liver oil capsules as part of the morning exercises during parts of the months of November and December. It is hoped that this good record may be maintained until June.

### **Bridge School**

The Bridge School has carried on a very successful Safety Program this year. They have organized a Safety Club and everyone belongs. It has helped all grades and all ages to respect each other's rights and practise "Safety Always and All Ways." The safety

programs, given once a month, prepared wholly by the children, show a sympathetic understanding of this subject of safety.

The girls of grades seven and eight have started a knitting project. They are going to make mittens for themselves.

The girls have adopted a pet chipmunk. All scraps of lunches and bread crusts are saved for him and fed to him by the girls during the noon hour.

A very interesting spelling contest is being conducted. The school has received one set of books from the Traveling Library at Plymouth. The children are enjoying these.

The arithmetic and English program has been a busy one all year. Much keen interest is shown in attaining a high score on all number drills. Grades three and four have started scrap books in geography.

### **Carr School**

The Carr School pupils are few in number but have striven for, "Quality not Quantity". When they received the silver cup from Plymouth Fair they were made to realize it paid to be satisfied only with their best work. The cup was given, with "Quality and Quantity" considered. The children are learning to help themselves by working with their hands and heads. They made and sold greeting cards and bought an electric player to use with their radio. Inasmuch as "It is more blessed to give than to receive," the school joined the Red Cross, sold all seals sent to them, gave to the Plymouth Hospital calendar and joined in the "March of Dimes". They are most grateful to Plymouth Fair, Mt. Livermore Grange, Holderness School for Boys, and all individuals who have helped them.

### **Earnest Endeavors of the Elm School**

#### **E**

#### **Entered Enthusiastically**

1. Contest for the best New Hampshire product map at Plymouth Fair.

2. The study of New Hampshire and United States Constitutions (grades 7 and 8). A visit to the New Hampshire state legislature, planned for one day in the February vacation.

3. Nature study of things around our school. A nature corner for exhibits of work arranged in our room.

4. The forming of a football team, which played one game with the River Road School in Bridgewater. Who won? Ask River Road pupils.

## L

### Labored to Learn

1. To do better work in written English. Books borrowed from Holderness Library were read and book reports written and placed in the library for others to read. Three issues of the Elm School News were made

## M

### More Music Studied

1. A radio loaned to the school enabled pupils to enjoy Music Appreciation Hour conducted by Walter Damrosch. Pupils tried to keep good notebooks for music supervisor.

2. Two girls are taking piano lessons.

3. Two boys are learning to play the trumpet and bugle.

4. Grades 1 and 2 learning to read notes

## Conclusion

In conclusion I wish to thank you, the members of the School Board, and our fellow citizens for the broadminded interest and patience extended to the schools in our dealing with our very human problems. Our objective is to help children develop a responsible and sane attitude toward the problems of life in and

out of school. In this matter the home has the greatest responsibility, and the general home cooperation with our work is in a large measure responsible for the success of the year.

Respectfully submitted,

ALMON W. BUSHNELL,

Superintendent.

## REPORT OF SCHOOL NURSE

---

This report is a summary of the work done by the school nurse from January 1, 1940 to January 1, 1941.

Pupils examined	61
Visits to schools	35
Visits to homes	50
Business calls	20

Dr. Samuel Feiner, the school physician, examined all the school children. All children were measured once, and weighed several times during the year. Vision tests were made on all the children. Individual inspection on each pupil was done several times during the year.

Two pupils attended an eye clinic by Dr. J. A. Hunter, of Dover, N. H. Eye examinations and lenses were prescribed and obtained for these children.

A dental clinic for Holderness had to be cancelled, due to an epidemic of whooping cough. I hope very much to have a dental clinic for the school children of Holderness this spring. Each parent is asked to keep this in mind, and anticipate our future financial arrangements for dental care.

I feel very strongly that some consideration of the school nurse's mileage must be considered very soon by each community that she serves. I serve the towns of Madison, Freedom, Effingham, Sandwich, Center Harbor, Moultonboro, Holderness and New Hampton

(working in three supervisory unions). Transportation of pupils to all clinics was done by me, in addition to my regular work, as no volunteers would undertake this duty; consequently extra mileage was added. My total mileage, for all communities, for the year was 9559.5 miles. The upkeep on any car, plus running expenses and necessary insurance, necessitates that this question should be seriously considered by each school board.

The cooperation of the superintendent, members of the school board, teachers and parents of the community has been very much appreciated.

Respectfully submitted,

RUTH E. ALLEN, R. N.

### GRADUATING CLASS, 1940

---

Kenneth Baker  
Marjorie Farmar  
Olevia Griffin  
Frank Piper

John Piper  
Louise Piper  
Ruth Piper  
Catherine Rogers

Gene Tatham

---

### ROLL OF PERFECT ATTENDANCE

---

#### Not Absent or Tardy Entire Year 1939-1940

Rose Avery  
Violet Avery

Mark Marden  
Gene Tatham

#### Not Absent or Tardy First Half Year 1940-1941

Barbara Joyce Evans  
Albert Griffin  
Marjorie E. Hardy

Myrtle N. Ordway  
Dorothy A. Rogers  
Marjorie A. Rogers

## TUITION PUPILS

---

### Attending Plymouth High School

Minnie Clark, Charlotte Currier, Jean Davis, Marjory Davis, Dorothy Farmar, Marjorie Farmar, Frank Fitzgerald, Winona Ford, Laura Geenleaf, Ruth Greenleaf, Olevia E. Griffin, Lola Harriman, Virginia Harri-  
man, Elizabeth Lakschewitz, Marguerite Lakschewitz, Arthur McCormack, Newell McCormack, Robert McCormack, Brandon G. Miller, Gertrude O'Donnell, Hugh O'Donnell, Frank L. Piper, Louise D. Piper, Irving Shields, Gladys Taylor, Doris Thibodeau, Deborah Tibbetts, Lester Turmelle, Wilfred Turmelle, Donald Young.

### Attending Ashland High School

Kenneth Baker, Cleston Davie, Doris Perkins, Dorothy Perkins, Lloyd Perkins, Laura L. Richards, Catherine Rogers.

### Attending Center Harbor Elementary School

Annette Clark, Evelyn Clark, Mary Clark, Cleona Richards, Margery Clark, Robert Martel.

### Attending Plymouth Elementary Schools

Chester Clark, Herbert Huckins, Gerald Miller, Nora Miller, Doris Paradie, Vera Paradie, Verna Paradie, Richard Pease, Ethel Turmelle, Leon Turmelle, Rosalie Turmelle, Rosemary York, Winnifred York.
